

## COMMUNITY EDUCATION UNITS (CEU'S)

Community education provides people with the opportunity to study topics of interest. Instruction often uses participatory or experiential methods in a workshop format instead of textbooks, term papers, lectures, or written examinations. There is no academic credit given for participation.

LCOOC Extension offers many community educational opportunities. Registration for community education workshops result in Community Education Units (CEU). These educational opportunities do not result in regular college credits. The workshops are open to the public not only students. There is no cost to participate in workshops and meals and supplies are provided. Each month a calendar of events is published and promoted via email, Facebook, flyers, and radio. Pre-registration is required and workshops with few registered participants are subject to cancellation.
